Step by Step Guide to Bidding

Below is a simple guide on how the process works before and during the auction.

Follow the steps to bid on auction day:

https://mchughandco.com/

You must go to our website in order to bid.

Click The Auction Tab at the top of the page to access the auction site.

 Click **View Current Lots** *to access our current lot listing*

Then, click on the Lot you want to Bid on from the current Lot List.

You will see the "**Bid Now**" icon on every lot page. Click this button to see the bidding window appear. This icon is located in the bottom right-hand corner of your screen. If this does not appear, check your browser settings. We recommend using Google Chrome. This icon will pop up automatically on auction day providing your browser settings allow for this.

If the "**Bid Now**" icon still does not appear, then follow the "How To Delete Browser Cookies" guide at the bottom.

From this point, you will need to **Log in/Register to bid** by clicking this. If you have already done this the next window will appear;

Once logged in, to bid on the selected lot, it will ask you to *"**Authorise to Bid**"*. Click this and it will take you back to the lot listing. Click back into the same lot you wanted to bid on. Once you have done this the next window will appear;

Now you are ready to Bid! You will have to wait until the auction opens at 07:30am on auction day to start placing your bids. Remember the first Lot closes at 9am and each lot is due to close 2 minutes thereafter. You will need to click on the lot you wish to bid on to bid on that particular lot. When the auction starts, you will be able to place bids using the (+) and (-) buttons and selecting place bid. It will ask you to confirm your bid amount;
